BBM Weekly Update

April 15 - 26, 2019

Attached, please find the Brooks Bawden Moore Weekly Update and Analysis that highlights the previous week's floor and committee activities within the US Senate and House of Representatives, and this week's congressional activities that relate to law enforcement and homeland security matters. The weekly update also lists legislation introduced the previous week, which may be of interest to the law enforcement and homeland security communities. Please let us know if you would like to know more about any of the items described in the update. Additionally, please feel free to distribute this product as you see fit.

Top Issues

The House and Senate have been out of session, and both chambers will return on April 29. When they return, it is anticipated that multiple House and Senate committees will hold hearings in reaction to the recently released Mueller report. Additionally, the House and Senate Appropriations Committee's are expected to begin markup consideration of the annual appropriations bills throughout the month of May.

Congressional Hearings Highlights

The House and Senate have been out of session, and no hearings have occurred. Both Chambers will return on April 29. (Find the full schedule beginning on pg. 2)

Congressional Floor Highlights

The House and Senate have been out of session, and no legislation has been considered. Both Chambers will return on April 29. (Find the full schedule beginning on pg. 2)

Highlighted Introduced Legislation

Last week there was additional legislation introduced affecting the enforcement of Federal marijuana laws within states that have legalized. Additionally, there was legislation introduced to provide greater real-life scenario training programs for law enforcement, as well as legislation to regulate the treatment of personally identifiable information by genetic testing services. (Find the full list of introduced legislation beginning on pg. 5)
